The Fair Hill Environmental Foundation, Inc. is a private non-profit natural history and environmental learning center serving students and adults from the Tri-State area of Northeastern Maryland, Southeastern Pennsylvania, and Northern Delaware. Our aim is to promote responsible stewardship through an appreciation and understanding of our environment. **Our Goals** are to raise awareness among children and adults regarding the interrelationships that occur in nature and the interdependence of the environment, our health, the economy, and culture; and to increase actions among citizenry that demonstrate environmental responsibility and to strengthen public advocacy toward the protection, preservation, and restoration of the Chesapeake Bay watershed.

**Tickets: \$50.00**

\*includes \$2,500.00 of "Fair Hill Bucks" that can be cashed in for prize chances!

To meet our **goals**, we must raise **funds**. Please join us for the Fox Trot Ball so we can raise much needed funds to *continue our environmental education programs!*
