The meeting was called to order at 7:00PM

1. Susan distributed a handout that described the Proposed Budget and a list of jobs and responsibilities that the Board and volunteers need to perform to accomplish the Foxtrot Dance.
2. An additional source of revenue is the sale of prints of the Covered Bridge by Geraldine McKeown. From now until Dec. 31 she will contribute 15% of the \$75 selling price to the nature center.
3. Susan estimated the requirements for Saturday night as 2 people to sell the prints, 3 people to help with carriage rides, 3 people to operate the sign-in, and one person to operate a membership table. No specific responsibilities were handed out.
4. A total of 8-12 volunteers will be needed on Friday to set up for the dance. Susan will contact Ed walls to determine whether we can have access to the Building on Thursday. The Nature Center staff will be available on Friday afternoon.
5. We still need someone to provide early entertainment from 6-8 PM. Susan is working on this.
